

# Autumn Soil Testing 2017

There is an opportunity for landholders to participate in Autumn soil testing, as part of HLN's 'Nutrient Management Project'. We are also hosting 3 soil testing results and interpretation workshops in early March.

**Please note: Soil testing needs to be completed by 30 March, 2017**

**Eligibility:** The program is open to all landholders, however eligibility for the soil test subsidy is limited to those who have not previously participated in the 2016 program. *Testing needs to be completed by 30 March 17.*

**Cost:** Per business entity

- Package deal for participants not previously involved prior to last year \$80 (5 tests + workshops)
- For everyone: Free workshops plus; additional tests \$55 each and subsoil tests \$20 each.
