

HLN invites you to a series of workshops based on the

Foundations of Grazing Management

Topics will include:

Understanding pasture assessment

Estimating herbage mass, digestibility and the impact of pasture composition on animal performance.

Understanding animal nutrition

Estimating condition score of animals and the energy and protein requirements of different classes of livestock.

Implementing grazing strategies

Different grazing tactics, developing a feed budget, managing ground cover, meeting production targets and contingency planning.

Session 1: 3rd of May at Holbrook CTC

8.30am - 11.30am

(3 further sessions will be on farm - dates/venue to be confirmed)

To RSVP for these workshops please contact Phoebe at the HLN office or
E: phoebegulliver@holbrooklandcare.org.au

74 Albury St (PO Box 121) Holbrook NSW 2644
