

Hay and Silage Wrap Recycling Pilot Program

About: Landholders can now access a free hay and silage wrap recycling program. The program aims to trial a sustainable solution for disposing of agricultural plastics such as silage wrap, feed bags, bunker covers, twine and grain tubes to reduce the amount of litter in our landscape through recycling.

How to get involved?

Contact HLN and collect your hay and silage wrap disposal liners FREE!

Collect plastic waste products into the disposal liners

Drop full disposal liners at the designated drop-off point (Holbrook Landfill Centre)

To register contact the Holbrook Landcare Network office on
