

Landholders in the **South West Slopes and Upper Murray** regions of NSW can again access coordinated soil testing as part of Holbrook Landcare Network’s Soil Testing Program.

This program has now been running for 8 years, and has helped landholders become more effective and efficient with managing your soil fertility through:

- Understanding your soils capability
- Making informed decisions regarding setting target levels for major nutrients such as phosphorus, nitrogen, potassium and sulphur
- Learning how to measure and match your inputs
- Developing personalised strategies for managing soil fertility over time

Who is eligible?

All landholders are eligible to be involved in the program. Current Holbrook Landcare members will be eligible for a discounted price for their soil tests.

Cost:	Holbrook Landcare Member price (ex GST)	Non-member price (ex GST)
Standard soil test (0-10cm)	\$60/test	\$70/test
Basic soil test (0-10cm)	\$30/test	\$35/test
Subsoil soil test (10-20cm)	\$25/test	\$30/test

What’s included?

Landholders are required to take their own soil samples but Holbrook Landcare will coordinate the testing and results, this includes:

- Access to soil corers and sample bags
- Processing of soil samples
- Postage

How to register:

Complete the registration form and return to office@holbrooklandcare.org.au or call the office on (02) 6036 3181.

If you are interested in becoming a Holbrook Landcare Network member, contact the office today!

Soil Testing Program – 2019-20

REGISTRATION FORM

Name: _____

Property: _____

Postal address: _____

Phone: _____

Email: _____

Yes, I am a Holbrook Landcare Member

PARTICIPATION FEE

I understand there is a participation fee that will be invoiced after submission of this registration form. The fee per sample is described below for soil samples (0-10cm). Subsoil tests (10-20cm) can also be requested and will be charged an additional fee.

____ Number of **Standard** soil tests (HLN Members \$60/test, Non-members \$70/test)

____ Number of **Basic** soil tests (HLN Member \$30/test, Non-members \$35/test)

____ Number of **Subsoil** tests (HLN Member \$25/test, Non-members \$30/test)

*all prices are excluding GST

SOIL ANALYSIS PREFERENCE - Please choose from the following options for soil analysis:

If conducting Standard soil test:

Option 1: Colwell Phosphorous & Potassium, Sulphur (KCl 40), Electrical Conductivity, pH (water), pH (CaCl₂), Phosphorous Buffering Index, Exchangeable Cations (Calcium, Magnesium, Sodium, Potassium, Aluminium) & Organic Carbon.

Option 2: I would prefer Olsen P in place of Organic Carbon. This includes all analysis in Option 1 with the exception of Organic Carbon and the addition of Olsen P.

OR if conducting Basic soil tests:

Option 1: Colwell Phosphorous & Potassium, pH

Option 2: Olsen Phosphorous, pH (water, CaCl₂ and Electrical Conductivity)

Please return this registration form to Holbrook Landcare Network to guarantee your place in the Soil Testing Program.
