

Holbrook Landcare Network

STAFF MEMBERS

Kylie Durant – Project Officer (NRM & Biodiversity)

Kylie has worked in natural resource management in the eastern Murray since 2001 and has a Bachelor of Environmental Management and Ecology from LaTrobe University. Kylie's passionate about translating science and knowledge and the "big picture" to practical solutions and outcomes on the ground.

Rita Bowler – Administration Officer

Rita has always been a Holbrook local and is active in a wide range of community groups, including the Sheep & Wool Fair, Show Society and Equine Centre. She has a Diploma of Applied Science (Ag), Bachelor of Arts (with majors in History & Geography) from CSU & DipEd (Ag & Science). She has worked as a woolclasser and other rural contracting jobs and is also involved in running a family farm at Holbrook.

Phoebe Gulliver – Local Landcare Coordinator & Project Officer

Phoebe has a background in agriculture and livestock and an ongoing interest in pastures and soils. Phoebe started with Holbrook Landcare in 2013 and has worked across a variety of projects including Women In Ag, Silage Wrap and Recycling, Dung Beetles, Holbrook Beef Group and Acid Soils Discussion Group. Phoebe is also a Local Landcare Coordinator supporting local groups to with sustainable agriculture and NRM outcomes.

Nick McGrath – Project Officer

Nick has a mixed farming background. He has a Bachelor of Environmental Science (Conservation and Management) from Charles Sturt University (Albury) and is currently completing a Graduate Certificate in Agriculture. For the past 8 years he has worked in the soil science field for both private and government sectors in central NSW and the NT.

Paula Sheehan – Regional Landcare Co-Ordinator

Paula has a Bachelor of Forest Management Science from Melbourne University and has worked in natural resource management in Victoria, Tasmania and NSW before becoming involved in landcare as a Project Officer, then as Local Landcare Coordinator, and is currently the Regional Landcare coordinator in the Murray Region.
