

Holbrook Landcare's Acid Soils Initiative

Join Holbrook Landcare for a workshop to build on soil acidification management knowledge with a paddock walk at our local acid soils trials site, followed by a discussion around the economics of lime for producers at the "Boorook" woolshed (Morven Cookardina Rd).

Speakers include:

- John Francis, Agrista Consulting - The economics of lime for cropping and grazing systems
- Jason Condon, NSW DPI - Liming acid soils for livestock production
- Helen Burns, NSW DPI - Update on the local acid soil trial site, strategies for local conditions based on local soil data
- Dr Alison Southwell, Holbrook Landcare - Holbrook Landcare's acid soils strategic plan

Thursday 27th May 2021

Time - 8.30am for a 9am start & 1pm finish

Where - "Boorook" woolshed, Morven Cookardina Rd
(5.5kms from Morven end of Morven Cookardina Rd - look for field day signs)

RSVP - Please RSVP by 25 May to HLN office (morning tea included)
